energy certificate: in process

price: € 1,585,000.-

Can Furnet Reference 101957

Details:

This exceptional penthouse is made up of 2 duplex apartments, each with a living area of 147 sqm and 146 sqm respectively. Both have a separate, spacious sea-view terrace of 24 sqm each, with south-facing orientation providing a bright warm ambience. One of the terraces also houses a luxurious private pool. It is also possible to simply combine both apartments to make a single private residence.

The living/dining area is flooded by abundant natural light entering via floor-to-ceiling sliding doors, which also offer beautiful panoramic views of the hills and the sparkling Mediterranean Sea. Hot/cold air conditioning ensures a pleasant interior climate all year round.

The openly-designed living space seamlessly integrates the living and dining areas with a partition-wall simply dividing the space into 2 separate apartments if required. The semi-open L-shaped fitted kitchen is fully equipped, with the second kitchen currently in use as a convenient and functional laundry room.

In each apartment stairs lead to the upper level with 2 bedrooms and 2 bathrooms, making a total of 4 bedrooms and 4 bathrooms when combined into one living unit. French balconies off the bedrooms offer wonderful views, with fitted wardrobes providing ample storage space. The spacious bathrooms have white marble surfaces exuding a timeless elegance.

The property is offered for sale unfurnished, offering the new owner the convenience of carrying out renovation and to modernise the kitchen and bathrooms if desired.

A further feature is the private parking space included in the purchase price, with the possibility to purchase a 2nd parking space for approx. € 30,000 if required.
