Details:

This stylish and carefully-designed apartment is situated on the 2nd sea line on Playa d'en Bossa. The light-flooded property is located on the 1st floor of a modern, sustainably-built residential complex, completed in 2024, which combines everything needed for a pleasant life on Ibiza.

Distributed over its 81 sqm of living space is a bedroom, a bathroom with separate WC, and an approx. 9 sqm terrace. Earth-coloured tiles and glass details in the bathroom area create an open, bright ambience, and the warm light and harmonious furnishings combined with extravagant accents create a relaxed, feel-good atmosphere.

Luxuriously equipped and fully furnished, the apartment offers state-of-the-art technology including a Gaggenau kitchen with a Miele washing machine and drier. An underground parking space is also included in the purchase price.

The residential complex provides the highest level of comfort with 24-hour security and concierge service. There is also a technical and cleaning service available if required.
On the ground level is a communal pool, a hammam sauna and a spacious relaxation terrace, and the building impresses with its earthy and green tones creating a harmonious overall picture.
